

**Awana Parents,**

Who knew 40 could feel so warm? The last few days have been such a welcome reprieve from the snow and cold. Soak up the warmer weather this weekend and get ready for some extra fun on Monday.

**This week is Superhero Night at Awana** and we have some fun surprises in store! Whether your kids come in a full costume, wear a homemade cape, or a superhero t-shirt, they're going to have a blast this Monday.

**Wondering what your student should be working on at home:**

- **Cubbies:** Bear Hug 18
- **Kindergarten Sparks:** Green Jewel 3:4 (Pages 78-81)
- **1st Grade Sparks:** Green Jewel 3:2 & 3:3 (Page 80-81)
- **2nd Grade Sparks:** Green Jewel 3:3 & 3:4 (Pages 86-91)
- **T&T (3-5 Grade):** Leaders will cover Section 3.7. Memory Verses-2 Timothy 3:16-17 & 1 John 5:14
- **Trek (6-8 Grade):** Section 3.6

**Special Note to Parents:** I know at times this can seem like a lot for a child to complete each week. I'd encourage you to simply work with them on the next section in their book. The goal is that kids learn and understand God's Word and how it connects to real life, not badges or awards. That being said, we know many kids really enjoy earning the awards and we want to support those who are pushing hard to hit those milestones. What's listed above is simply a suggested pacing for those who want to finish their book before the end of the year.
