

SECTION

1.4 God is Our Strength

As you complete each section, check off the box. When all sections are done, sign off or have your child sign off just like you sign off on his or hers!

☐ Lesson Summary

Do you want to know what your child learned this week? Read this lesson summary and reflect on what you think about this topic!

God created the world and has power over everything that He created. God is with us, and His strength protects and helps us. We do not need to fear because God is our refuge and strength.

☐ Conversation Starter

Your child will ask you to share from your personal experience! These also appear in the kid's handbook Start Here activity each week.

You will be asked: "What is the heaviest thing you have ever had to move or lift? Did you have to ask someone to help you or could you lift it on your own?"

☐ Memory Verse

Are you curious what your child is memorizing this week? See if you can memorize the verse(s) too!

PSALM 46:1

od is our refuge and strength, a very present help in trouble.

T&T MISSION: AGENTS OF GRACE

Coming Next Week ...

Section/Memory Verses: 1.5 — God is Our Peace / John 16:33

Conversation Starter: What is the most peaceful place you have ever been? What did it sound like? What was going on around you?

☐ Encouragement for You

Need some inspiration on the journey?

When we think about someone's strength, we often think about physical strength. God is infinitely powerful — not just physically strong. Do you ever feel anxious about parenting your child? God wants you to depend on Him emotionally, physically, mentally, and spiritually. You can trust God because He is bigger and stronger than you can imagine. You can be confident that God will be your refuge and strength. How do you need to lean into God's strength today?

☐ Make It Stick

Do you need a creative activity to help with memorizing verses? Read this suggested activity and look for a time this week when you can do this with your child!

Verse Unscramble — Type the verse with its reference in large letters and print it on paper. Cut the verse into strips, so each piece contains two to three words. Mix up the strips and put them in a baggie or envelope. Allow your child to practice the verse by putting the strips in order. You could also make two baggies and race your child to see who can place the pieces in order the fastest. Every time your child puts the verse together have him or her practice reciting the verse.
