SECTION 2.1

Old Testament Books of History

As you complete each section, check off the box. When all sections are done, sign off or have your child sign off just like you sign off on his or hers!

☐ Lesson Summary

Do you want to know what your child learned this week? Read this lesson summary and reflect on what you think about this topic!

The Bible tells us the history of God's people.

☐ Conversation Starter

Your child will ask you to share from your personal experience! These also appear in the kid's handbook Start Here activity each week.

You will be asked: "Describe the most important event that has happened in your life. When did the event happen? Who were the people involved? How did your life change because of this event?"

☐ Memory Verse

Are you curious what your child is memorizing this week? See if you can memorize the verse(s) too!

Genesis 12:1-2

Now the LORD had said unto Abram, "Get thee out of thy country, and from thy kindred, and from thy father's house, unto a land that I will show thee: and I will make of thee a great nation, and I will bless thee, and make thy name great; and thou shalt be a blessing."

T&T Mission: Evidence of Grace

Coming Next Week ...

Section/Memory Verse: 2.2 — Books of Wisdom/Proverbs 1:7

Conversation Starter: What was the best advice you ever had? What was the advice about? Who gave it to you?

☐ Encouragement for You

Need some inspiration on the journey?

In the middle of daily life, we can forget our purpose. When God speaks to Abram in Genesis 12:1-2, His words echo to us as well. We are blessed so that we can be a blessing to others. You as a parent are blessed so that you can bless others, including your child. Your child is blessed so that he or she can bless others as well. In a quiet moment during your week, think of how you can bless others with what you have been blessed with!

☐ Make It Stick

Do you need a creative activity to help with memorizing verses? Read this suggested activity and look for a time this week when you can do this with your child!

Pump Up the Volume! — Stretch your arm out to your side to be the volume control dial. Have your child watch you for the volume level as he or she recites the verses. For example, raise your hand to get louder or lower your hand for them to get softer. Don't do more than one volume level per word.
