T&T Mission: Evidence of Grace

Coming Next Week ...

Section/Memory Verse: 4.1 — Faith/Hebrews 11:6

Conversation Starter: Could you think back to the first time you rode a roller coaster or jumped off a diving board or started a new school? Were you alone or with someone?

☐ Encouragement for You

Need some inspiration on the journey?

The kids have spent the past weeks learning about Redemption. This topic can lead us to a new gratitude for our value in God's eyes. God redeeming His creation through an act of great love and sacrifice gives us a new sense of significance and meaning. How can it help you this week to remember that you are valued by God?

☐ Make It Stick

Do you need a creative activity to help with memorizing verses? Read this suggested activity and look for a time this week when you can do this with your child!

Review — Help your child find the verses that he or she has learned in his or her Bible. Use sticky notes to mark the verses and read the verses directly from the Bible. For kids, it's important to see that the verses are actually in the Bible and not just in the handbooks. Reading the verses again will help solidify his or her memorization.
