God is omnipotent — His strength is unlimited.

### ☐ Conversation Starter

*Your child will ask you to share from your personal experience! These also appear in the kid's handbook Start Here activity each week.*

**T&T Mission: Evidence of Grace**

### Coming Next Week ...

**Section/Memory Verses:** 1.3 — God Is Everywhere/Psalm 139:7-10

**Conversation Starter:** Tell me a story about a time when you were far away from home. How did it feel to be separated from friends and family?

### ☐ Encouragement for You

*Need some inspiration on the journey?*

In a world that feels out of control, it is helpful to remember that God is all-powerful. Jeremiah 10:12 tells us that it was by His power that God made the earth — His power is more than we could imagine, because He is and always will be all-powerful. As you go through your week, be encouraged that He is the same all-powerful God you can trust with your life and daily struggles too!

### ☐ Make It Stick

*Do you need a creative activity to help with memorizing verses? Read this suggested activity and look for a time this week when you can do this with your child!*

**Sing-a-Long Verse** — Before you start, set the words of the verse to a familiar tune. Then sing it together, and even serenade someone else with it to help get more practice.
