LESSON 1.2: HOLINESS

SCRIPTURE: HEBREWS 9:18-28

SUMMARY:

In this week's lesson, students learned about holiness. This is a big idea in the faith and life of a disciple of Christ. Becoming more and more like Christ is becoming more and more holy, more and more set apart for God's purposes only. But how can we do that when we learned last week about our sin nature? Jesus! Jesus paid it all! You don't have to be separated from God by your

sin anymore. You can be holy once again, not because of any actions or works on your part, but because of the perfect, sacrificial death of Jesus on the cross. Remind your child that Christ has paid the debt of his or her sin so he or she is free to become more and more holy, like Christ, and live accordingly.
